Note 3:

The investor protection levy is a mandatory charge levied by the regulator at 0.0002% on the value of Whole Securities traded for the regulation of the securities market and in dealing with issues such as insider trading and market manipulation, which is ultimately for the benefit of investors. The administration fee represents an upfront recovery on the Fractional Security Rights (FSR's) portion.

Note 4:

As SatrixNOW is an online business, our business model relies on clients placing trades through the platform and not via telephone. In the event that Clients place a trade via telephone, we will charge the client R50 per trade, as this

consumes resources. In the event of our systems being down, for whatever reason, Clients will be allowed to place trades via telephone free of charge.

Note 5:

There are various mechanisms to deposit money into your SatrixNOW account. Clients are advised to deposit funds via Electronic Funds Transfer (EFT) or debit orders, as these are significantly cheaper than credit card deposits and secure internet deposit.

Credit Card Charges

Depositing Money via Credit Card is expensive. SatrixNOW is charged (by our credit card merchant) a fixed fee of R1.60 per credit card deposit as well as a variable fee amounting to 2.3% of the deposit value; hence we charge the Client a similar charge in order to recoup these costs.

Debit Order Fees

Debit Order processing fees are charged at R0 per transaction.

Debit Order Failure Charges

Debit Order Failure fees are charges that will be debited against your Trading Account in respect of each debit order returned to us as unsuccessful by the debit order merchant.

Secure Internet Deposit (SID)

SID instant EFT is an online payment option which allows merchants to receive online and mobile payments without a credit card. When someone shops online, SID links them directly to their internet banking. It pre-populates the payment details and directs them right back to the merchant's website. They receive instant payment confirmation. SID is levied by our merchant at a fixed fee of R1.60 per transaction.

Note 6:

Portfolio/ Account Transfers In

A client has the ability to transfer their entire portfolio or part thereof from another broker to SatrixNOW. When a client transfers their entire portfolio or part thereof we are charged a handling fee by our Central Securities Depository Participant; hence we are subsidising the entire fee.

Portfolio/ Account Transfers Out

A client has the ability to transfer their entire portfolio or part thereof from SatrixNOW to another broker. When a client transfers their entire portfolio or a part thereof we are charged a handling fee by our Clearing and Settlement Depository Participant, we recover these fees at a margin as a result of the resources utilised to facilitate the transfer.
