Summary Guide

This table summarises the key features of the SatrixNOW product so that you can use this as a guide when reading the legal terms and conditions. In order to understand the terminology contained in this table, please see the definitions contained in clause 2 of this Agreement. This table is not a legal agreement. For a proper understanding, you must read all of the terms and conditions set out in the Agreement.

Parties	You will invest via the SatrixNOW Platform with Satrix Investments Proprietary Limited (“ Satrix ”) in financial products issued by Satrix Managers (RF) Proprietary Limited (“ Satrix Managers ”). FWT provides the SatrixNOW Platform and all related support services to Satrix in terms of a Service Level Agreement between Satrix and FWT. Your investment is with SATRIX and not with FWT, except for the CFD Transactions which you conclude with FWT.
What Are SatrixNOW Investments?	There are Unit Trusts and ETFs brought to you via our online platform. The ETFs are a combination of Securities and CFD Transactions. The Unit Trusts only comprise participatory interests (Units) which are created on investment. The ETF Securities are listed on the JSE or other Recognised Exchanges. Units are not listed. Where you cannot afford to buy a Whole Security, you can still invest in a fraction of a Whole Security by entering into a CFD Transaction with FWT to obtain Fractional Security Rights. We use a broker for Whole Securities bought and sold on the JSE.
Regulations	The sale of Whole Securities is subject to the Financial Advisory and Intermediary Services Act, 2002 (“ FAIS ”) – see paragraph 1.6. Satrix is a registered financial services provider. The issue of CFD Transactions is not subject to FAIS, but are subject to the Consumer Protection Act, 2005 (“CPA”) – see paragraph 1.6. FAIS does not govern FWT’s obligations to you in respect of the issue of the CFD Transactions. However, our obligations to you when acting as your agent in respect of CFD Transactions are governed by FAIS. The sale of Units is also governed by the Collective Investment Schemes Control Act, 2002 (“ CISCA ”) – see paragraph 1.6. Satrix Managers is an authorised manager of Collective Investment Schemes.

We call this a Fractional Security Right. • As with all CFD Transactions you will not own the Underlying Reference Instrument. • You will have a contractual claim against FWT under the CFD Transaction, which means that you may enforce your rights under this Agreement and any CFD Transaction directly against FWT, and only FWT. Satrix will act as your agent in entering into the CFD Transaction with FWT. <p>If you place your Order by number of Securities: e.g.: 200 Whole Securities:</p> <ul style="list-style-type: none"> • You will pay for and own 200 Whole Securities

The value of your Investments in the Securities may go down as well as up, depending on whether the value of the Underlying Assets goes down or up.</p> <p>As the Securities are Collective Investment Schemes in securities issued by Satrix Managers they are generally medium to long term investments.</p> <p>CFD Transactions do not occur on a Recognised Exchange and, may consequently expose you to greater risks than exchange based transactions.</p>
Risks Of Investing In Units	<p>Past performance is not necessarily a guide to future performance and the value of Units may go up as well as down. Your actual performance will depend on the fees applicable to your Investment, the actual investment date, and the date of reinvestment of income as well as dividend withholding tax.</p> <p>Satrix Managers does not provide any guarantee either with respect to the capital or the return of a portfolio.</p> <p>The performance of the portfolio depends on the underlying assets and variable market factors. Units are traded at ruling prices and portfolios can engage in borrowing as well as scrip lending. Forward pricing is used. (The price at which a transaction is processed is only determined after the Order has been received.)</p> <p>International investments or investments in foreign securities could be accompanied by additional risks as well as potential limitations on the availability of market information. Terms and Conditions

4 INVESTING VIA THE SATRIXNOW PLATFORM

- 4.1 The online SatrixNOW Platform allows you to place Orders to purchase or sell (1) ETF Securities listed on a Recognised Exchange or (2) Unit Trusts. The fact that a particular Security is available on the SatrixNOW Platform does not mean that Satrix is making any recommendation in relation to that Security, or that the purchase of that Security is an appropriate Investment for you. The Securities available on the SatrixNOW Platform are not chosen based on current or perceived future value. **As with all securities, the Securities may gain or lose value and there is always the risk that the Securities could lose all of their value.**
- 4.2 **You acknowledge that all Investment decisions are made solely by you. You acknowledge that you have not received advice from us, Satrix Managers or FWT and that you have taken care to consider whether you need financial advice and whether you need to appoint an Advisor to provide such financial advice. In addition, any information relating to particular Securities available on the SatrixNOW Platform, whether provided by us or any third party, will not constitute a recommendation from us regarding a particular Security, transaction, or Investment. This means that you make your own choices about investment decisions and even if you rely on information provided on the SatrixNOW Platform, we will not be responsible for any losses you suffer because of Investments made through the SatrixNOW Platform. You acknowledge that you are familiar with the content and understand the Minimum Disclosure Document(s) (fund fact sheets). You further acknowledge that the risk profile of the Investment has been explained to you (or that you have had the opportunity to ask questions regarding the risk profile of the Investment) and you understand that it is your responsibility to familiarise yourself with and accept the risks associated with Investing in the Securities. The profits and losses on Investments in the Securities depends on the market value of the Underlying Assets, and this market value will change from time to time. The past profits and losses on Investments in Securities is no indication of future profits and losses. The value of your Investments in the Securities may go down as well as up depending on whether the value of the Underlying Assets goes down or up. As the Securities are Collective Investment Schemes in securities issued by Satrix Managers they are generally medium to long term investments. Engaging in the CFD Transactions can carry a high risk and you may lose all of your money in respect of CFD Transactions. CFD Transactions do not occur on a Recognised Exchange and, may consequently expose you to greater risks than exchange based transactions.**
- 4.3 You agree that your Investments on the SatrixNOW Platform will be subject to, and take place in accordance with, Applicable Law in effect from time to time.

A copy of the deed is available from Satrix on request.
- 4.5 The SatrixNOW Platform does not facilitate the matching of buy Orders and sell Orders for securities of multiple buyers and sellers. The SatrixNOW Platform is not an “exchange” as defined in the Financial Markets Act, 2012.
- 4.6 The SatrixNOW Platform is operated by FWT in terms of Service Level Agreement in place between Satrix & FWT, but Satrix will at all times render financial services to you and not FWT. Traders can be under extreme pressure, particularly in periods of high market volatility and information they may provide to you concerning profit and loss in connection with a specific Investment(s) is/are strictly for purposes of your information only. You may not rely on any profit or loss calculation information given the traders when determining whether to instruct us to place an Order and you should instead only rely on your own monitoring and assessment of your position. **You acknowledge that you have full responsibility for any profit or loss made in connection with any Telephone Order or instruction to Invest and you will have no claim against us.**
- 9.9 We do not have any obligation to (i) to enter into any particular transaction or (ii) to accept and act in accordance with any Order. **We are not liable to you for any loss arising out of, or related to the fact that we did not accept your Order or act on your Investment instructions. We will notify you as soon as is commercially practicable if we cannot accept your Order or act on your Investment instructions and we will tell you why.**
- 9.10 No Investment will be legally effective unless and until we provide you with a Contract Note setting out the details of your Investment as set out in clause 20 below.

10 PURCHASES AND SALES (NOT APPLICABLE TO UNIT TRUSTS)

- 10.1 **The terms and conditions set out in this clause 10 only apply to the purchase and sale of ETF Securities. For the terms and conditions and process relating to Units, please see the Unit Trading Procedure and Disclosures attached as Annexure E.** The SatrixNOW Platform allows you to place an Order to “buy” that may be specified in either Rand amounts or a specified number of Whole Securities. If the Rand amount of your Order is sufficient to pay for one or more Whole Securities, you will be allowed to buy one or more Whole Securities.
- 10.2 Buy Orders specified in Rand amounts may result in a balance of funds remaining, after funds have been allocated toward the purchase of Whole Securities.
- 10.3 For example, you place an Order for R100 worth of Satrix 40 Securities. At the time of your Order, Satrix 40 Securities are trading at R45 per Satrix 40 Security. Therefore, the Rand amount of your Order allows you to buy two Satrix 40 Securities and leaves you with a remaining balance of R10. R10 is not enough money to purchase a Satrix 40 Security (as the price is R45 per Security). If this happens and, where you do not have enough money to purchase a Whole Security, you will be allowed to enter into a CFD Transaction with FWT, referencing the Satrix 40 Security as the Underlying Reference Instrument in terms of clause 12 below. In this example, the balance available for a CFD Transaction will be:

Order Amount – (No. of Whole Securities x Execution Price of Satrix 40 Security)
= Balance for CFD Transaction. E.g. R100 – (2 x R45) = R10.

This example excludes all costs and charges associated with your Order and you would therefore be liable to pay for these costs over and above the Rand amount of your Order.

- 10.4 The SatrixNOW Platform also allows you to sell any Whole Securities which you own, although no short selling is permitted (short selling is where you sell a security which you do not own, and this is not allowed on the SatrixNOW Platform). You may also close out (i.e. terminate) any of your CFD Transactions in accordance with clause 12.7(7). All profits or income from the sale of Whole Securities or the close out of CFD Transactions will be paid by Satrix into your Account, but will not be able to be withdrawn, you may only withdraw the cash upon settlement of the

Terms and Conditions

transaction i.e. up to 5 (five) Business Days after the date of the Contract Note subject to clause 10.8. **You acknowledge that you may not withdraw the proceeds from the sale of Whole Securities or the close out of CFD Transactions immediately when sale or close out happens.** We may allow you to use the “early settlement” function on the SatrixNOW Platform, which means that we will settle your unsettled profits or income from the sale of your Whole Securities or the close out of the CFD Transactions at our own risk against the payment of the early settlement fee as set out in the Cost Profile.

- 10.5 Investments made on the SatrixNOW Platform may not be “real time” market Orders i.e. Orders that are matched immediately when you enter your Order. Quoted Prices and Execution Prices will be obtained and given in terms of clause 13.
- 10.6 All Investments in Whole Securities must be cleared and settled according to the rules of the CSD and the Recognised Exchange on which the Whole Securities are traded. We may cancel any of your Investments in Whole Securities if the Recognised Exchange or the CSD:
- (1) fails or is unable to clear and/or settle the Investment for any reason; or
 - (2) regards the Investment as a “failed trade” under the rules of the CSD and/or the Recognised Exchange; or (without limiting the generality of the foregoing);
 - (3) cancels or rejects the Investment for any reason whatsoever.
- 10.7 **We will not be liable for any losses, damages, costs, fees, charges or liabilities which you may incur as a result of any cancellation of your Investment in terms of clause 10.6.**
- 10.8 Despite any other clause in this Agreement, all Whole Securities which are successfully cleared and settled by the CSD and the Recognised Exchange will be delivered to you (i.e. allocated to your Account) within 8 (eight) Business Days of the date of your Contract Note. **We will not be liable for any losses, damages, costs, fees, charges or liabilities which you may incur as a result of any such delay in the delivery of the Whole Securities into your Account.** Despite any such delay, your Investment will be priced at the Execution Price as contemplated in clause 13.

11 BUY INSTRUCTIONS AND SELL INSTRUCTIONS (NOT APPLICABLE TO UNIT TRUSTS)

Buy Instructions

- 11.1 The SatrixNOW Platform may also allow you to place a “buy” Order outside of the market hours of the Recognised Exchange or during an intra-day auction (“**Buy Instruction**”). If your Buy Instruction is duly accepted by us, we will raise your Order on the SatrixNOW Platform and your Order will become a Pending Transaction.
- 11.2 Execution of Buy Instructions
- (1) Buy Instructions that become Pending Transactions will be executed when the Recognised Exchange next opens for trading or once the intra-day auction has ended, subject to the place of that Pending Transaction in the Execution Queue. You acknowledge that your Pending Transactions may therefore be delayed due to the place of the Pending Transaction in the Execution Queue, including without limitation, indefinitely. Your Pending Transactions and the Pending Transactions of our other clients will be executed according to their place in the Execution Queue, on an individual basis (i.e. one by one) and not on an aggregate or bulk basis.
 - (2) You agree that despite any Quoted Price, your Buy Instructions will be executed at the Execution Price, i.e. at the prevailing market price offered on the relevant Recognised Exchange at the time we execute your Pending Transaction and as reflected in the Contract Note which time will depend on your Pending Transaction’s place in the Execution Queue.
 - (3) You may cancel a Buy Instruction at any time, provided your Buy Instruction is still a Pending Transaction and has not been executed. You can cancel a Buy Instruction on the SatrixNOW Platform by selecting the “menu” tab, then selecting the “my investments” dropdown and then clicking on “pending instructions”.

Terms and Conditions

Sell Instructions

- 11.3 We may also allow you to place a “sell” Order outside of the market hours of the Recognised Exchange or during an intra-day auction (“**Sell Instruction**”). If you hold an insurance policy over a Security on the SatrixNOW Platform, you will not be permitted to place a Sell Instruction until you cancel the policy of insurance. If your Sell Instruction is duly accepted by us, we will raise your Order on the SatrixNOW Platform and your Order will become a Pending Transaction.
- 11.4 Execution of Sell Instructions:
- (1) Sell Instructions that become Pending Transactions will be executed when the Recognised Exchange next opens for trading or once the intra-day auction has ended, subject to the place of that Pending Transaction in the Execution Queue. You acknowledge that your Pending Transactions may therefore be delayed due to the place of the Pending Transaction in the Execution Queue, including without limitation, indefinitely. Your Pending Transactions and the Pending Transactions of our other clients will be executed according to their place in the Execution Queue, on an individual basis (i.e. one by one) and not on an aggregate or bulk basis.
 - (2) You agree that despite any Quoted Price, your Sell Instructions will be executed at the Execution Price, i.e. at the prevailing market price offered on the relevant Recognised Exchange at the time we execute your Pending Transaction and as reflected in the Contract Note which time will depend on your Pending Transaction's place in the Execution Queue.
- 11.5 You may cancel a Sell Instruction at any time, provided your Sell Instruction is still a Pending Transaction and has not been executed. You can cancel a Sell Instruction on the SatrixNOW Platform by selecting the “menu” tab, then selecting the “my investments” dropdown and then clicking on “pending instructions”.

12 TREATMENT OF FRACTIONAL SECURITY RIGHTS (NOT APPLICABLE TO UNIT TRUSTS)

- 12.1 **The terms and conditions set out in this clause 12 only apply to the purchase and sale of ETF Securities. For the terms and conditions and process relating to Units, please see the Unit Trading Procedure and Disclosures attached as Annexure E.** If you place an Order for ETF Securities (which Order is denominated in a certain Rand amount), and that Rand amount is not enough to buy one or more Whole Securities, you may only have enough money to acquire a Fractional Security Right in respect of an ETF Security. In order to give effect to your Order, FWT will enter into a CFD Transaction with you in terms of which the Underlying Reference Instrument will be a percentage of the Whole Security specified in your Order. In respect of Fractional Security Rights, FWT acts as principal to the CFD Transaction. We act as your agent and intermediary in respect of FWT entering into a CFD Transaction with you, based on your instruction to us via the SatrixNOW Platform.
- 12.2 The Underlying Reference Instrument of your CFD Transaction will be calculated in proportion to the corresponding percentage of the Execution Price paid by you after the purchase of one or more Whole Securities.
- 12.3 For example, where the Execution Price of a Whole Security is R45, and you pay us R10 in terms of your Order, you will enter into a CFD Transaction with FWT in terms of which the Underlying Reference Instrument will be:
- (Rand Amount / Execution Price) x 100 = % of Whole Security. In this example, the Underlying Reference Instrument will be:
 (R10 / R45) x 100 = 22% of Whole Security.
- 12.4 This will give you exposure to the economic benefits of a 22% interest in a Whole Security. As with all CFD contracts, you will not own the Underlying Reference Instrument. You will have a contractual claim against FWT under the CFD Transaction. This example excludes all costs and charges associated with your Order and you would therefore be liable to pay for these costs over and above the Rand amount of your Order.
- 12.5 Fractional Security Rights do not mean that you own a fraction of an ETF Security. The term Fractional Security Rights (as explained above) is used to explain the scenario where you obtain exposure to the economic benefit of ownership (profit or loss on price movements in respect of ETF Securities in terms of this Agreement) in circumstances where you do not have enough money to buy Whole Securities.

Terms and Conditions

12.6 Your claims in respect of Fractional Security Rights are therefore limited to a contractual claim against FWT for payment of the relevant close out amount (profit or loss) in accordance with clause 12.7(4) under the CFD Transaction. As you are not the owner of the Underlying Reference Instrument, they can never be delivered to you or transferred to another person or nominee.

12.7 The terms and conditions below apply specifically to all CFD Transactions entered into in terms of this Agreement:

(1) Initial Margin

- (a) **“Initial Margin”** is the amount of money in cash that you will normally be required to have on deposit in your Account in order to open or enter into a CFD Transaction. A 100% Initial Margin is required for CFD Transactions issued in respect of Fractional Security Rights. For example, if the price of an ETF Security is R100, we would require an Initial Margin of R100 from you. Please note that paying Initial Margin and margin in general, does not in any way limit the losses you may incur in connection with your Account.
- (b) You will be informed of the amount of money you will be required to deposit as Initial Margin prior to placing an Order.

(2) Margin and Margin Calls

- (a) **“Margin”** refers to the minimum additional cash which you must deposit into your Account in order to support your CFD Transactions. “Margin Calls” are made when the money in your Account is not enough to support your CFD Transactions and your Account is therefore in deficit. Your Account will be in deficit if the total of the Initial Margin due on your CFD Transactions plus the losses on those CFD Transactions exceed the cash held in your Account. As CFD Transactions are subject to a 100% Initial Margin, they will not be subject to a Margin Call.
- (b) **“Variation Margin”** refers to the amount for which you become liable due to changes in the value of the Underlying Reference Instrument of your CFD Transaction.

(3) Profit and loss

- (a) When the price of the Underlying Reference Instrument increases:
 - (i) You will not be required to physically pay any amounts in relation to Variation Margin. FWT will (in addition to any general lien, right of set-off, right to combine accounts or any other right to which FWT may be entitled), without notice to you, set-off any obligation of yours to make payment to FWT in respect of Variation Margin, against FWT’s liability to you in respect of profit earned under the CFD Transaction (or any part of it in an amount as FWT may choose). For example if the price of the Underlying Reference Instrument was R100 when the CFD was originally entered into and it was subject to a R100 Initial Margin, and it then increases in value to R110:
 - (ii) A Variation Margin of R10 is required from you in order to ensure that the total margin amounts to R110 (i.e. a 100% Initial Margin); and
 - (iii) FWT would be required to pay you a R10 profit under the CFD Transaction.
 - (iv) Instead of making these two separate payments, FWT will retain the R10 profit FWT owes you and set it off against the R10 you owe FWT for Variation Margin. The Variation Margin requirement is therefore settled and no physical payment of Variation Margin is required. FWT does not physically pay you the R10 profit.
- (b) Where the price of the Underlying Reference Instrument decreases for example from R100 to R90:
 - (i) FWT would be required to pay you your R10 in order to ensure that the total margin amounts to R90 (i.e. a 100% Initial Margin); and

Terms and Conditions

- (ii) You would be required to pay FWT a R10 loss under the CFD Transaction.
- (iii) Instead of making these two separate payments, FWT will retain the R10 FWT owes you for Variation Margin and set it off against the R10 loss you owe FWT under the CFD Transaction. The Variation Margin requirement is therefore settled and no physical payment of Variation Margin is required. You do not need to physically pay FWT back the R10 loss.
- (4) You will only be entitled to your profit or loss under the CFD Transaction, when the CFD Transaction is closed- out (i.e. terminated) as your profits are kept by FWT to ensure your Initial Margin is maintained at 100% at all times.
- (5) You will be responsible for any payments of fees listed in your Cost Profile.

(6) Closing CFD Transactions

- (a) You can close your position in respect of a CFD Transaction:
 - (i) on the SatrixNOW Platform by either:
 - (A) selecting the **“My Account”** drop down and selecting the **“Sell”** tab. Selecting the ETF Security you wish to sell, clicking “sell” and entering the **“confirm your sale”** screen; or
 - (B) selecting the **“My Account”** drop down and selecting the **“Overview”** tab and clicking on the gear icon in the top right hand corner of the ETF Security displayed, selecting **“sell”** from the drop down box, and entering the **“confirm your sale”** screen.
 - (ii) by contacting us by telephone on one of our designated trading lines. In order to give a Telephone Order to close a CFD Transaction you must provide us with the following information:
 - (A) your Account Details so that can be identified;
 - (B) a description of the CFD Transaction that you wish to close; and
- (b) FWT has the right to close any or all of your open CFD Transactions if an Event of Default happens (irrespective of whether you opened the CFD Transaction on the SatrixNOW Platform, or by giving us Telephone Orders) at the prevailing market price.
- (c) FWT cannot close a CFD Transaction unless any one of the following actions occur:
 - (i) the Platform reflects the CFD Transaction (or a portion of the CFD Transaction) as being closed; or
 - (ii) you receive a closing Contract Note from us.
- (d) It is your responsibility to confirm immediately that your Contract Note reflects the closed CFD Transaction, or get confirmation from a trader that our system shows the CFD Transaction as closed and under what terms. Any amounts payable by either party to a CFD Transaction will be paid on the day on which the CFD Transaction is executed or as determined by the Recognised Exchange.

13 QUOTATIONS AND EXECUTION PRICE

- 13.1 We will display the price of the ETF Securities and of the Units on the Website or the SatrixNOW Platform. These prices may, in the case of ETF Securities, reflect delayed prices, or may be the Recognised Exchange price which was quoted by the Recognised Exchange on the previous trading day, and in the case of Units, will be the

Terms and Conditions

closing price on the previous Business Day or may be a Live Price Update as requested by you (see clause 14.1) (“**Quoted Price**”).

- 13.2 Despite the Quoted Price, your Investments in ETF Securities will be executed at the prevailing market price on the relevant Recognised Exchange for that ETF Security at the time we execute your Order as reflected in the Contract Note (“**Execution Price**”). The Execution Price may be different to the Quoted Price, depending on how the ETF Security’s market price has moved during the course of the market day (or in the time taken between obtaining the Quoted Price and executing the Order). We do not give any guarantee that the Execution Price will be at or near the Quoted Price. Despite the Quoted Price, your Investment in Unit Trusts will take place at the price for that Business Day if your Order is received before the relevant cut-off time and if your Order is received after the cut-off time, at the price on the following Business Day.
- 13.3 Execution Pricing on the SatrixNOW Platform will be done on a best execution basis i.e. we will take all reasonable steps to get the best available price for you, in accordance with your Order. **You agree that Satrix will have no obligation to execute any Order at the Quoted Price.**
- 13.4 Sometimes we may give you information on the value of your ETF Securities based on the ETF Security price at the closing time of the Recognised Exchange on the latest market day. Such information is for your information only and does not reflect the price you may get if you sell your ETF Securities. Where you place an Order to sell any Whole Securities we will execute these Investments at the Execution Price prevailing at the time of execution.
- 13.5 **You acknowledge that the Quoted Prices, and information provided based on quotes, which we obtain, are obtained from sources that Satrix believes to be reliable but that Satrix does not guarantee the accuracy and completeness of those quotes or information. In addition, you represent that you will use the Quoted Prices and information solely for your own personal use related to your Satrix Account or Investments and not for professional use. You waive any claim that you might have against Satrix or the quote provider related to the Quoted Prices or the quote-based information on the SatrixNOW Platform.**

14 SATRIXCREDITS AND LIVE PRICES

- 14.1 We may allow you to purchase SatrixCredits on the SatrixNOW Platform which SatrixCredits can be used to, among other things, purchase a live Security price update (“**Live Price Update**”).
- 14.2 A Live Price Update may only be requested during the market hours of the Recognised Exchange.
- 14.3 Each time you request a Live Price Update, the number of the SatrixCredits which you have allocated to your Account will be reduced by each request.
- 14.4 SatrixCredits are not redeemable for cash and are non-transferable. Live Price Updates may not be requested for Bundles, Baskets and Digital Tokens.
- 14.5 Please note that despite requesting a Live Price Update, as set out in clause 10.5, Investments on the SatrixNOW Platform may not be “real time” market Orders, i.e. Orders that are matched immediately when you enter your Order. Quoted Prices and Execution Prices will be obtained and given in terms of clause 13.
- 14.6 You acknowledge that the Live Price Updates which we obtain, are obtained from sources that Satrix believes to be reliable but that Satrix does not guarantee the accuracy and completeness of those Live Price Updates. In addition, you represent that you will use the Live Price Updates solely for your own personal use related to your Account or Investment activity and not for professional use. You waive any claim that you might have against Satrix or the price provider relating to Live Price Updates on the SatrixNOW Platform.

15 DONATIONS TO CHARITY

- 15.1 The SatrixNOW Platform may, in our sole discretion, allow you to make a donation of a designated amount to a Designated Charity when you place a buy Order for a Whole Security (“**Donation**”). Satrix will pay your Donation/s

Terms and Conditions

to the Designated Charity by the 15th of the following month for the month in which you made a Donation/s. At the end of the Tax Year, you will be entitled to receive the relevant tax certificate, in respect of your Donation/s, from the Designated Charity. However, we may provide you with your certificate via the SatrixNOW Platform but we are not obliged to do so.

- 15.2 Satrix does not handle any tax requirements in this regard and accordingly, will not be held responsible. We are not able to provide you with any tax advice pertaining to any of the above. We would recommend that you obtain specific tax advice from your tax advisor or from a tax authority. We will also not be responsible for notifying you of a change in tax law or practice and you should seek professional advice as to your personal tax situation.

16 RECURRING INVESTMENTS AND DEBIT ORDERS

- 16.1 We may give you the option, in our discretion, to set up a Recurring Investment, i.e. a recurring buy Order placed via the SatrixNOW Platform in terms of which you buy a pre-determined Rand value of specified Securities at multiple future dates and at a frequency and on a day permitted by us, including without limitation monthly, quarterly or annually. For example, you may place a Recurring Investment Order to “buy R1000 worth of Satrix 40 Securities every month”. If we give you this option, you will need to provide us with a Debit Order Authority and if you are a Minor or a Corporate Body, complete the Debit Order Authority Form attached as Annexure B. If you are a Minor or a Corporate Body, an Authorised User must sign the Debit Order Authority Form.

- 16.2 You will be liable to pay for your Recurring Investments by means of a debit against the positive balance of the Available Funds in your Account. You must ensure that you have enough Available Funds in your Account to pay for your Recurring Investments on the scheduled payment date.

- 16.3 In order to place a Recurring Investment Order you must:

- (1) select and/or customise the Rand value of your Recurring Investment Amount;
- (2) select and/or customise the percentage Annual Recurring Investment Increase which will apply to your Recurring Investment Amount;
- (3) select the first payment date, which date must be at least 3 (three) Business Days after the date on which you placed your Order for a Recurring Investment on the SatrixNOW Platform.
- (4) select the frequency of your Recurring Investment;
- (5) select whether you would like to set up a Debit Order to pay money into your Account as contemplated in clause 26 below; and
- (6) select the Securities which you will purchase in terms of the Recurring Investment.

16.4 Debit Orders

Where you have elected to pay money into your Account by means of Debit Order, you acknowledge that:

- (1) if you are a Minor or Corporate Body, you will complete the Debit Order Authority Form attached as Annexure B; or
- (2) if you are not a Minor or Corporate Body, you will complete the electronic Debit Order Authority available on the SatrixNOW Platform.
- (3) If the Designated Account for a particular debit order is not in your name, we will require further authorisation from the account holder and perform further identification and verification checks in terms of Applicable Law; and

Terms and Conditions

- (4) if you are a Minor, an Authorised User must complete the manual Debit Order Authority Form attached as Annexure B; and
- (5) all successful Debit Order payments will be credited to the Available Funds in your Account;
- (6) if the date of the Debit Order falls on a non-processing day (i.e. a day which is not a Business Day) you agree that the Debit Order may be debited against your Designated Account on the following Business Day. Subsequent Debit Orders will continue to be delivered in terms of this Debit Order Authority until the obligations in terms of this Agreement have been paid or until this Debit Order Authority is cancelled by you by giving us notice in terms of clause 16.9(2) of the Agreement;
- (7) all Debit Orders issued by you shall be treated by our bank as if the instructions had been issued by you personally;
- (8) the cancellation of your Debit Order Authority in this Agreement is not a cancellation of any Recurring Investment or of the Agreement entered into between us;
- (9) where you have a Recurring Investment in place and your Debit Order is unsuccessful, your Recurring Investment Order will not automatically be cancelled and we will debit your Available Funds to pay for your Recurring Investment Order. If you have insufficient Available Funds in your Account to pay for your Recurring Investment Order, then your Recurring Investment Order will fail;
- (10) where any Debit Order has been unsuccessful, you will be notified of such Debit Order failure and charged a Debit Order Failure Charge as contemplated in clause 16.8(3) below. If any Debit Order fails 3 (three) consecutive times, then the Debit Order and any associated Recurring Investment Order will both be cancelled;
- (11) your Debit Order will be subject to the specified Annual Debit Order Increase; and
- (12) **you will not instruct your bank to reverse any Debit Order which has been successfully processed in terms of this Agreement. See clause 25 (Security Interest and set-off) regarding our ability to sell the Securities in your Account to cover liabilities, which may arise if you reverse any Debit Order which has been successfully processed. You agree that, for 40 (forty) calendar days following the payment date of the relevant Debit Order, we will be entitled to place a hold reserving the total Rand value of that Debit Order against the total value of your Account, including without limitation against your Securities, Tax Free Savings Products and Available Funds standing to the credit of your Account, until expiry of that 40 (forty) calendar day period. During this time you may continue to invest, however you will not be able to withdraw (including, without limitation, by means of the issue of any vouchers, the issue of which we may permit in our sole discretion from time to time) the Rand value of the relevant Debit Order from your Account.**

16.5 Execution of Recurring Investments

- (1) The provisions of clause 13 above with regards to Quotation Prices and Execution Prices will apply to all Recurring Investments in ETF Securities concluded in terms of this clause 16.
- (2) If your Recurring Investment Order is duly accepted by us, we will raise your Order on the SatrixNOW Platform and your Order will become a Pending Transaction. Your Pending Transactions and the Pending Transactions of our other clients will be executed according to their place in the Execution Queue, on an individual basis (i.e. one by one) and not on an aggregate or bulk basis.
- (3) Where your Recurring Investment in ETF Securities is scheduled to take place on a day or at a time which falls outside of the trading hours of the Recognised Exchange, then that Recurring Investment will be raised on the SatrixNOW Platform as a Pending Transaction and will be executed when the Recognised Exchange next opens for trading, subject to the place of that Pending Transaction in the Execution Queue. **You acknowledge that**

Terms and Conditions

your Pending Transactions in ETF Securities may therefore be delayed due to the place of the Pending Transaction in the Execution Queue, including without limitation, indefinitely.

- (4) **You agree that despite any Quoted Price, your Recurring Investments in ETF Securities will be executed at the Execution Price, i.e. at the prevailing market price offered on the relevant Recognised Exchange at the time we execute your Pending Transaction and as reflected in the Contract Note which time will depend on your Pending Transaction's place in the Execution Queue.**
- (5) The Execution Price of Recurring Investments in Units will always be the prevailing net asset value price for the Business Day that the Recurring Investment is processed.

16.6 Trading Limits

- (1) You acknowledge that your Recurring Investments may be subject to investment limits in terms of clause 17 below and that your investment limits in respect of Recurring Investments may differ from the investment limits imposed on you in respect of your other Investment activities which do not constitute Recurring Investments.
- (2) We may, from time to time, in our sole discretion -
 - (a) amend your general investment limits;
 - (b) amend your investment limits for any particular Recurring Investment; or
 - (c) require that you amend the Rand value or frequency of any Recurring Investment, to comply with the applicable investment limits we impose on you in terms of this Agreement.
- (3) Where a Recurring Investment would breach the particular investment limits assigned to you, we will not execute that Recurring Investment, and the Recurring Investment, including those portions of the Recurring Investment which did not exceed any investment limit, will fail.

16.7 Tax Free Savings Products

- (1) Where you have established a Debit Order for Recurring Investments in Tax Free Savings Products to be held in your Tax Free Savings Account, any such Debit Order which would lead to a contravention of clause 29 of this Agreement, will be blocked and cancelled on the SatrixNOW Platform. For example, if you have independently deposited an amount of money into your Tax Free Savings Account prior to the next scheduled Debit Order date, such that any future Debit Order for a Recurring Investment in a Tax Free Product will result in a contravention of clause 29 of this Agreement, then your Debit Order for that period will be blocked and cancelled on the SatrixNOW Platform.
- (2) However, where any Recurring Investment Order can be funded by means of a debit against the Available Funds standing to the credit of your Tax Free Savings Account, only your Debit Order will be cancelled and your Recurring Investment will not be cancelled. The Available Funds standing to the credit of your Tax Free Savings Account will be debited to pay for your Recurring Investment in a Tax Free Product. If you do not have Available Funds available to pay for your Recurring Investment, then your Recurring Investment for that Tax Free Product will fail.

16.8 Fees

- (1) We will charge you a Recurring Investment Fee on Investments in ETF Securities. The Recurring Investment Fee will be charged in addition to any other fees and costs listed in the Cost Profile. The Recurring Investment Fee will be disclosed to you on the SatrixNOW Platform when you place a Recurring Investment Order for an ETF Security. The Recurring Investment Fee is paid to ourselves and will be confirmed in the relevant Contract Note.

Terms and Conditions

- (2) We will also charge you a Debit Order Fee on Investments in ETF Securities where you have elected to pay money into your Account by means of a Debit Order. The Debit Order Fee will automatically be added to the specified Rand value of your Debit Order.
- (3) You will be liable to pay us a Debit Order Failure Charge in respect of the processing of every unsuccessful Debit Order. The Debit Order Failure Charge will be debited from any Available Funds standing to the credit of your Account.

16.9 Termination

- (1) If you have a Recurring Investment in place in terms of this clause 16, and if you wish to cancel your Recurring Investment, you may do so by giving us notice via the SatrixNOW Platform at least 3 (three) Business Days prior to the date of your next scheduled Recurring Investment.
- (2) If you have a Debit Order in place in terms of clause 16.4 and if you wish to cancel your Debit Order, you may do so by giving us notice via the SatrixNOW Platform of at least 3 (three) Business Days prior to the date of your next scheduled Debit Order.

17 INVESTMENT LIMITS

17.1 The Securities available on the SatrixNOW Platform may be subject to a prescribed maximum amount or value for purchases, as prescribed by Satrix.

17.2 Because of this, Satrix may from time to time limit the:

- (1) total value of Investments which you may execute;
- (2) total value of Investments which you may execute in a given Security;
- (3) total number of Investments which you may execute; and
- (4) total number of Investments which you may execute in a given Security.

17.3 Where applicable, Satrix will give you notice of the Investment limits which apply to you (and any changes to these limits) on the Website.

17.4 You may not open multiple Accounts in order to circumvent any of your Investment limits, maximum Order sizes or other restrictions imposed on you in terms of this Agreement.

17.5 **We will not be liable for any losses, damages, costs, fees, charges or liabilities which you may incur as a result of any cancellation of an Order which breaches your Investment limits.**

18 INSUFFICIENT FUNDS OR DENIAL OF CREDIT/DEBIT CARD PAYMENTS

18.1 If you try to pay money into your Account from your Designated Account (either by electronic funds transfer or by a charge to your credit or debit card) and the payment is rejected by the bank, or reversed or cancelled or reclaimed by the bank, then we may cancel or honour any transaction which is effected by you.

18.2 In these circumstances we may also close your Account and/or not allow you to place any more Orders. - (1) register Whole Securities in the name of Satrix Nominees for the holding of Whole Securities in safe custody by Satrix Nominees; and
- (2) collect money in the form of Income Distributions relating to Whole Securities. These amounts will be Client Money held in the Satrix Nominees Bank Account on your behalf.

21.2 Satrix warrants that FWT Nominees is an approved nominee company, approved by both the FSCA and Strate. If either the FSCA or Strate, withdraws or cancels Satrix Nominees' approval or if there is any change to the approval status of Satrix Nominees, or if Satrix terminates the appointment of Satrix Nominees for any reason, Satrix will immediately transfer the Whole Securities held by Satrix Nominees to another nominee company that is approved by both the FSCA and Strate.

21.3 All Whole Securities bought on the SatrixNOW Platform are protected by law in the event of an insolvency of Satrix, as all Whole Securities are segregated from the estate and assets of Satrix and held in safe custody by, and registered in the name of, Satrix Nominees. You are noted as the beneficial (true) owner of such Whole Securities. This is explained in more detail in clause 23 below (Insolvency Protections).

21.4 As the beneficial (true) owner of Whole Securities you will receive all Income Distributions from the relevant Whole Securities held on your behalf.

21.5 In respect of CFD Transactions, you will:

- (1) be entitled to payment of a cash equivalent of a pro rata percentage of the Income Distributions based on the fraction of the Underlying Reference Instrument of the CFD Transaction;
- (2) have a contractual right, against FWT, to the profit or loss under the CFD Transaction, in accordance with clause 12.7(4) above; and
- (3) not own the Underlying Reference Instrument.

21.6 If you, over time, enter into enough CFD Transactions with the same Underlying Reference Instrument so that you acquire rights to 100% of a Security, then the CFD Transactions will be closed out, and a Whole Security will be delivered to you. You will only then receive a Whole Security, and you will be noted as the beneficial (true) owner, and become entitled to those rights set out in clauses 21.1 and 21.4 above.

21.7 Units issued by Satrix Managers are registered in your name in the register of the relevant portfolio in accordance with the deed of the Satrix Unit Trust Scheme, which obliges Satrix Managers to take immediate steps to register a Unit after its purchase in the name of the investor.

22 CHARGES

- 22.4 Your Account and each of your Orders will be subject to the standard cost settings which apply by default to all of our Clients' Accounts and Orders. This means that when you place an Order on the SatrixNOW Platform, the Rand amount of your Order will by default automatically exclude all costs and charges associated with your Order and you will therefore be liable to pay for these costs over and above the Rand amount of your Order. We may permit you, in our sole discretion to amend the default cost settings applicable to your Account and your Orders on the Settings Page. However, certain costs may in our sole discretion, never be included in the Rand amount of your Order, including without limitation, Debit Order Charges and Debit Order Failure Fees.
- 22.5 We will facilitate the payment of advisory fees (with VAT thereon) to your Advisor as instructed by you. The payment will be made by selling Securities to cover the payment of advisory fees.

However, such a withdrawal will not be subtracted from your Yearly Payment Limit or from your Lifetime Payment Limit. This means that if you have contributed your full Yearly Payment Limit or Lifetime Payment Limit and you then withdraw money from your Tax Free Savings Account, you may not pay it back in again in that Tax Year, or where your Lifetime Payment Limit has been reached, at all.
- 29.8 If you sell your Tax Free Savings Products, any profits or income from the sale of your Whole Securities will be paid by Satrix into your Account in accordance with the provisions of this Agreement.
- 29.9 If you are a Minor and you withdraw money from your Tax Free Savings Account, we will only deposit the money into your Designated Account if that Designated Account is held in your name.
- 29.10 Any amount earned by you (i.e. profits and income) in respect of your investments in your Tax Free Savings Account will not be taxed and will not be included in your Yearly Payment Limit or Lifetime Payment Limit. You may retain the profits and income received on your investments in your Tax Free Savings Account (i.e. re-invest them) and these amounts will not be included in your Yearly Payment Limit or Lifetime Payment Limit. Where you purchase additional Tax Free Savings Products by re-investing your Income Distributions, this will not be deducted from your Yearly Payment Limit or Lifetime Payment Limit.
- 29.11 Any Income Distributions earned by you in respect of your Investments in your Tax Free Savings Account will be paid into your Tax Free Savings Account.
- 29.12 The charges levied against your Tax Free Savings Account will be the same as the charges levied against your Account as set out in clause 22.1.

Terms and Conditions

- 29.13 **You will be responsible for paying the penalties as provided for in the Income Tax Act, if you exceed your Yearly Payment Limit or your Lifetime Payment Limit.** The Yearly Payment Limit and the Lifetime Payment Limit applies to each and every tax free savings or investment account held by you as contemplated in the Income Tax Act and not only in respect of your Tax Free Savings Account held with us. This means that you must check that the total value of all your Tax Free Savings Accounts held with us and with other banks, FSP's and other product providers in terms of the Income Tax Act, does not exceed the Yearly Payment Limit or the Lifetime Payment Limit.

- 30.5 **In the event that you transfer Whole Securities or Units from another FSP to us, we will facilitate this transfer, but we will not be liable or responsible for any tax consequences arising from such a transfer, and you will be responsible for paying all taxes that may arise as a result of the transfer. This means that you will have no claim against us in this regard.**

Terms and Conditions

33 INTELLECTUAL PROPERTY RIGHTS

- 33.1 **You acknowledge and agree that the copyrights, trademarks, service marks and all other intellectual property or other rights to any information distributed to or received by you whether sent by us or on our behalf, by any means (including but not limited to by internet electronic communication or mobile phone), together with any advertising media, Website, Platform or other material connected to the SatrixNOW Platform and in any databases that contain or constitute the information (“Intellectual Property”), will remain the sole and exclusive property of the person who owns that Intellectual Property, whether that be Satrix, one of our Affiliates, FWT or any FWT Affiliates.**
- 33.2 You will not permit or facilitate, and will take steps to prevent any sale, re-distribution, dissemination, re-publication or re-display of the Intellectual Property and information referred to in clause 33.1, however received, to any third party.

- 34.1 You may only place Orders during our published trading hours, as found from time to time on the Website. It is your responsibility to familiarise yourself with these trading hours. We will not execute any Orders outside of these hours (and, if the SatrixNOW Platform allows for an Order to be placed outside these hours, we reserve the right to cancel any and all such resultant Investment(s)). We may suspend your ability to Invest in the circumstances set out in clause 39 (Force Majeure).
- 34.2 We may reject any internet instruction or Order for any reason including, but not limited to, the fact that you do not have enough money in your Account to pay for the proposed Investment.
- 34.3 Internet Trading instructions must be accepted by us and as such we will have no liability to you if the internet connection is lost with the result that you are unable to Invest at any given price.
- 34.4 We take reasonable precautions to ensure that data created by us has been checked for viruses, but it is your responsibility to ensure that the onward transmission, opening or use of this data will not negatively affect your systems or data. Please make sure that your computer has up-to-date virus detection software and please carry out virus and other checks as you consider appropriate. We accept no responsibility for losses that you may suffer as a result of the onward transmission of viruses, from us to you.
- 34.5 The SatrixNOW Platform is a sophisticated platform and although we take reasonable care to ensure that it operates correctly, it may be subject to errors or failures from time to time. As a result of such errors or failures, and even though we have a back-up disaster recovery site which we may operate from to reduce any risks to you, you may still experience problems with the SatrixNOW Platform, including that:
- (1) You cannot Invest, place Orders or communicate with us through it;
 - (2) You receive misleading or inaccurate information from it, including information about prices;
 - (3) You may not be able to open or close CFD Transactions; and

- 34.6 We do not guarantee that the SatrixNOW Platform will be without any problems, and you Invest via the SatrixNOW Platform at your own risk of sustaining loss or damage as a result of any such problems. Such loss and damage might happen as a result of:
- (1) Being unable to place an Order or conclude a transaction at a particular time;
 - (2) Believing that you have Invested or placed an Order (for example by opening or closing a transaction) when our system records state that you have not, or believing that you have not Invested or placed an Order when our system records show that you have;

- (4) Other difficulties, misunderstandings, errors or unintended consequences caused by problems with the SatrixNOW Platform.

34.7 If as a result of problems with the SatrixNOW Platform our computer records differ with your records or what you remember of your Investment activities, the version of events recorded by our computer will apply (in the absence of dishonesty by us) and our obligations to each other (including the obligation to pay any money) will be calculated on the basis that our computer records are correct. Therefore, if you are having difficulty with the SatrixNOW Platform in any way, you should telephone us as quickly as possible so that any misunderstanding or mistake can be avoided or corrected, and especially if you wish to continue Investing.

34.8 We have the right to remove altogether, or reduce the availability of, the SatrixNOW Platform, at any time.

34.9 We strongly recommend that you keep your own records of your internet Orders including details of the times, dates, and nature of your instructions. These details may be important if there is a dispute.

35 INDEMNITY

You agree to defend and indemnify Satrix, Satrix Managers, Satrix Nominees, its Affiliates, FWT, FWT Nominees and the FWT Affiliates, and hold them harmless from and against any and all claims, proceedings, damages, injuries, liabilities, losses, costs, and expenses (including reasonable attorneys' fees and litigation expenses), relating to or arising from any breach by you of this Agreement, any Applicable Law or FSCA determination. This means that if you do not comply with the terms of this Agreement, any Applicable Laws or determination by the FSCA, you will have to pay for any of the above losses and expenses caused to Satrix, Satrix Managers, Satrix Nominees, its Affiliates, FWT, FWT Nominees or the FWT Affiliates, or any third party because of your breach. FWT and the FWT Affiliates have accepted the benefits conferred on them in terms of this Agreement.

36 ASSIGNMENT

- 36.1 The Agreement will operate for the benefit of you and Satrix. The Agreement is binding on you, us and our respective successors. You may not transfer (assign) any of your rights or obligations under this Agreement to any third party, unless a director or authorised person of Satrix has agreed to the transfer in writing.
- 36.2 Satrix may, without your approval, transfer (assign) any part of its rights or obligations under the Agreement to any third party as of a date and on such terms notified to you as per clause 27.3. Where Satrix transfers rights and obligations in this way:

- (1) we will advise you of the transfer in accordance with clause 27; and
- (2) you agree that Satrix may provide information about you (including any information that may be protected by Applicable Law), your Investments and Account, to the transferee (i.e. the person to whom Satrix is transferring its rights and obligations), disclose to a potential assignee or transferee any information about you (including information that may be protected by any Applicable Law) your Account and your Investments.

37 DISPUTES

- 37.1 You must give us written details of any dispute as soon as it arises. Sometimes, you may have only a limited time within which to advise Satrix of a dispute. If you do not advise us of the dispute within the allowed time period, we may reject (i.e. not accept) the dispute. Disputes must be referred to Satrix's compliance department. Contact information for our compliance department is listed on our Website. Satrix will try to settle your dispute quickly and reasonably taking into account industry practice.

Terms and Conditions

- 37.2 If Satrix closes out any Investment due to a failure to resolve a dispute according to clause 37.1 above Satrix may recover any losses made by you on the Investment and you are contractually bound by the close out as though we had terminated the Investment in accordance with your express instructions.
- 37.3 If we think that it is necessary, we may terminate any Investment or cancel any related Order to limit the amounts involved in the dispute.
- 37.4 Satrix has the right to refuse to accept any Order from you except for instructions to terminate existing Investments, in scenarios where there is any unresolved dispute with you.

38 TERMINATION

You or Satrix may close your Account at any time. If your Account is closed, you are still responsible for all debts or obligations you owe to Satrix and/or FWT and in respect of any previous or pending Investments.

39 FORCE MAJEURE

- 39.1 To the extent that it becomes impossible for you or Satrix (a Party) to perform any obligation (other than a payment obligation) in terms of this Agreement as a result of an event or circumstance that:
- (1) was not considered when the Agreement was entered into;
 - (2) even if it was considered, cannot be guarded against or reasonably avoided,
 - (3) either Party may: advise the other Party within 5 (five) Business Days that an unforeseen event has happened, \ and the nature, extent, effect and likely duration of the event;
 - (4) keep the other Party updated as may be reasonably required by the other Party;
 - (5) take all reasonable action to correct or lessen the consequences (and report to the other Party); and
 - (6) continue to perform its obligations under this Agreement as soon as possible and advise the other Party when performance of the obligation again becomes possible.
- 39.2 Performance of obligations under this Agreement is suspended for as long as the event or circumstance continues to make the performance impossible.
- 39.3 If the event or circumstance continues for longer than 7 (seven) Business Days either Party may cancel this Agreement on written notice to the other Party provided that the obligation which the affected Party is unable to perform is a material obligation under this Agreement.

40 MANIFEST ERROR (INCLUDING PRICING DATA ERRORS AND CORRECTIONS MADE BY EXCHANGES) (NOT APPLICABLE TO UNIT TRUSTS)

- 40.1 Satrix quotes thousands of prices each month and there may be instances where we mistakenly provide you with an incorrect Quoted Price for an ETF Security. The following provisions apply in the case of an obvious error having regard to all relevant market information and conditions (including the Recognised Exchanges) and any mistake or misunderstanding of, any information source, e.g. price data information, commentator, official, official result or pronouncement (“**Manifest Error**”).
- 40.2 An error in a Quoted Price will be a Manifest Error if it is different from the price that we would normally have quoted at the time when you asked for it, having regard to the nature and size of the Investment, our pricing policy at the time, market price feeds and other data we receive, and to the state of any Recognised Exchange.

Terms and Conditions

- 40.3 If at the time that you place, modify or cancel your Order with us or place, modify or terminate an Investment on the basis of an incorrect price where you know or suspect that the quote was wrong or you should have known that it was wrong, we have the right to declare any Order or Investment void (i.e. invalid and unenforceable) based on the incorrect price or, if appropriate, reinstate the Order or Investment at the correct market price.
- 40.4 To avoid any doubt, we will work on the basis that any pricing error is a Manifest Error where it is based on:
- (1) an incorrect price feed from our pricing data providers;
 - (2) a pricing error generated by our own system; or
 - (3) in rare circumstances where you are able to use the SatrixNOW Platform to execute an Investment outside of the market hours of the Recognised Exchange.
- 40.5 Where this happens we will reverse or modify any Investment (s) based on the pricing error(s).
- 40.6 We also have the right to suspend any Orders or Investments in any Security, for as long as we think necessary (acting reasonably) under any abnormal conditions that affect the Recognised Exchange.
- 40.7 If a Recognised Exchange identifies an error in the price, index movement, or the like which affects the settlement price of one or more Investments and where the exchange levies additional cost on the Investment as a result of steps taken to correct the situation, we have the right to revise the outcome of any Investment(s) and adjust your profit or loss accordingly.
- 40.8 If a Manifest Error has occurred and we choose to exercise any of our rights under this clause 40, and if you have received any monies from us in connection with the Manifest Error, you agree that you owe, and must pay, those monies to us without delay.
- 40.9 In case of any dispute arising other than in connection with pricing errors or corrections made by the Recognised Exchanges, as to whether you should have known that the Quoted Price was incorrect under clause 40.3 above, you will be deemed to have known at the time when you entered into the Investment(s) in question, the true price of the Security underlying your Investment(s) or that the Recognised Exchange was not open for trading at the time that your Investment(s) executed on the SatrixNOW Platform.
- 40.10 **We are not liable to you for any loss, cost, claim, demand or expenses you suffer (including any indirect losses) resulting from a Manifest Error including our reversal of the Investment(s) you executed on the basis of the Manifest Error.**

41 EVENTS OF DEFAULT

- 41.1 An Event of Default includes all of the following:
- (1) you do not provide any Initial Margin, Margin, or any other payment due to Satrix or FWT in relation to your Investments or other dealings with Satrix; or
 - (2) you do not act in accordance with the terms of this Agreement; or
 - (3) you die or become a mental patient within the meaning of any applicable mental health legislation; or

 - (7) you convene a meeting for the purpose of making or proposing or entering into any arrangement or composition for the benefit of your creditors (other than for the purposes of a bona fide reconstruction or amalgamation); or
 - (8) any distress, execution, or other process is levied against any of your property and is not removed, discharged or paid within seven days; or
 - (9) you have any security created by any form of mortgage or charge and the mortgagee and/or chargee takes steps to enforce the security; or
 - (10) any debt owed by you or any partnership in which you are a member or, if a Corporate Body, any of your subsidiaries or related companies, becomes immediately due and payable or capable of being declared so due and payable, prior to its stated maturity by reason of default on the part of any person, you or any partnership in which you are a member or, if a Corporate Body, any of your subsidiaries or related companies fail to discharge any indebtedness on its due date whether to Satrix or not (other than a liability which you are contesting in good faith); or
 - (11) you commit any breach of any representation or warranty that you gave to us for the purposes of opening or closing any Investments, series of Investments or Orders, or if you fail to immediately advise us if any representation or warranty subsequently becomes untrue or misleading after it has been made; or
 - (12) Satrix reasonably believes that you will be unable to pay your debts as they fall due and action in accordance with clause 41.2 below is necessary or desirable to protect the commercial interests of Satrix, Satrix Managers, FWT and of their other customers; or
 - (13) any payment order made by you is countermanded or returned by your bank unpaid; or
 - (14) An Insolvency Event in respect of Satrix or FWT occurs.
- 41.2 If an Event of Default occurs Satrix (or its administrator, receiver, trustee, business rescue practitioner or the like), without prejudice to any other right against you which it may have, may:
- (1) close, without prior notice to you, any or all of your Investments (in whole or in part) at the prevailing market price or, if no prevailing price, at a level which is fair and reasonable;
 - (2) exercise its rights of set-off under this Agreement;
 - (3) close your Account and refuse to accept any further Orders or Investments from you or undertake any transactions with you;
 - (4) recover any sums which are payable by you in respect of realised losses on your Account;
 - (5) charge you interest on any money due, from close of business on the date when monies first fell due until the date of actual payment at a rate not exceeding SAFEY +5%; and/or
 - (6) if you fail to make a payment when due, inform your partner, employer, any professional, regulatory or other organisation with which you are associated or any person who we believe to have an interest in knowing such facts of the amount of such overdue sum, the circumstances thereof, the fact that you have failed to make payment, and any other relevant facts or information. By entering into this Agreement you expressly consent to any disclosure of this data by us in the circumstances set out herein.

Terms and Conditions

- 41.3 If you do not pay us any money you may owe us or FWT on time, it will be treated as a continuing Event of Default and give us the right to close any or all of your Investments, in whole or in part, at any time before the money is paid. This includes the closure of any and all Investments which would be profitable to you at the time of the forced closure (where reasonably possible) to the extent necessary for you to meet your outstanding monetary obligations to us.
- 41.4 We do not owe you any duty to consider your interests in exercising our rights on the occurrence of an Event of Default.
- 41.5 You must give notice to Satrix if you have reason to believe that an Event of Default has occurred in relation to your Account or if you have reason to believe that an Event of Default will occur.

42 MARKET ABUSE

- 42.1 Satrix and FWT will frequently hedge their potential liability to you by entering into transactions with other institutions. The results of us doing this is that when you Invest it may, through our hedging transaction, influence the price of the underlying Security on the Recognised Exchange and impact our own Quoted Price for that Security. This creates a possibility of market abuse and the purpose of this clause is to prevent such abuse. **You represent and warrant to Satrix and agree that each such representation and warranty is deemed repeated each time you make an Investment that:**
- (1) **you will not place and have not placed any Order(s) with Satrix relating to a particular Security if placing these Orders would result in you or other people with whom you are acting in concert, having an exposure to that Security which is equal to or exceeds the amount of a declarable interest in the Security. (Declarable interest is that level set by the Recognised Exchange(s) on which the underlying Security is listed);**
 - (2) **You will not place and have not placed any Order(s) in connection with:**
 - (a) **a placing, issue, distribution or other similar event; or**
 - (b) **an offer, take-over, merger or similar event; in which you are involved or otherwise interested whether directly or indirectly; and**
 - (3) **You will not place or have not placed any Order(s) that violates any law against insider dealing. You agree that your Investments with us will be treated as dealing in Securities within the meaning of applicable anti-fraud provisions of the country of the Recognised Exchange and/or of incorporation of Satrix and any other country which may be able to legally take action against you and/or us on the basis of the violation of such anti-fraud provisions.**
- 42.2 In the event that you place any Investment(s) in breach of the representations and warranties given in clause 42.1 above or we suspect that you have done so, Satrix may:
- (1) close any Investment(s) that you may have open at the time;
 - (2) enforce the Investment(s) against you in order to recover any losses attached to that/those Investment(s); or
 - (3) where you have made a profit on such Investment(s), treat the Investment(s) that we close as void in terms of this clause, unless you are able to prove that you have in fact not committed the breach of warranty and/or misrepresentation. If you do not prove your compliance to the representation or warranty within one week of the closing of the Investment, the Investments will be finally treated as null and void between us.
- 42.3 **You acknowledge that CFD Transactions are undertaken for speculative investing and you agree that you will not enter into any Investments with Satrix in connection with any corporate finance style activity.**

Terms and Conditions

- 42.4 If at any time trading is suspended in any Security which is the subject of an open Investment then that Investment will be valued at the mid-price quoted by us at the time of suspension. Where the suspension continues for 5 (five) Business Days, we may agree a closing date and a closing price, which price will be the closing price for that Investment. Where we do not agree on a closing price or closing date, any affected open Investment will stay open until the suspension is terminated. We have the right at all times during the term of an open Investment where the Security is suspended to adjust the mid-price quoted by us.
- 42.5 Satrix has the right at all times when your Investments are suspended under this clause, to revalue the price of that Investment and/or to change the Margin requirement.

43 BREACH

- 43.1 Should either Party (**"Defaulting Party"**) breach (fail to comply with) any of the provisions of this Agreement, then the other Party (**"Aggrieved Party"**) may give the Defaulting Party 7 (seven) Business Days written notice or such longer period of time as the Aggrieved Party may specify in the notice, to comply or correct the breach. If the Defaulting Party fails to comply with the notice, the Aggrieved Party may:
- (1) claim immediate payment and/or performance by the Defaulting Party of all of the Defaulting Party's obligations that are due for performance under the Agreement; or
 - (2) cancel this Agreement upon written notice to the Defaulting Party where the breach constitutes a material breach (a material breach is one that defeats the purpose of the Agreement),
- in either event without prejudice to the Aggrieved Party's right to claim damages or to exercise any other rights that the Aggrieved Party may have under this Agreement or in law.
- 43.2 Without detracting from the provisions of clause 43.1, the Aggrieved Party may cancel this Agreement at any time by giving to the Defaulting Party notice of the cancellation if:
- (1) the Defaulting Party commits a material breach of this Agreement which cannot be corrected;
 - (2) the Defaulting Party is, other than for the purposes of reconstruction or amalgamation, placed under voluntary or compulsory sequestration, winding-up, judicial management, business rescue or the equivalent of any of these in any country;
 - (3) a judgment against the Defaulting Party which cannot be appealed; or
 - (4) the Defaulting Party makes or offers to make a general assignment or any arrangement or composition with or for the benefit of its creditors generally (or any class of its creditors) for releasing it wholly or partially from its debts.
- 43.3 Any cancellation of this Agreement by the Aggrieved Party will be effective once a cancellation notice has been received by the Defaulting Party (in the case of a material breach) or the date of the breach (in circumstances mentioned in clauses 43.2 (2), 43.2(3) or 43.2(4)).
- 43.4 Any cancellation is without prejudice to any claim that either Party may have in respect of any breach of the terms and conditions of this Agreement by the other Party arising before the Agreement was cancelled.

44 VARIATION OF THIS AGREEMENT

- 44.1 This Agreement may be varied by Satrix at any time. The variation will be effected by publishing the new version of the Agreement on the Website and will apply to all your transactions trading with us as from 14 Business Days after the date of publication unless it is impracticable in the circumstances to do so.

Terms and Conditions

- 44.2 Alternatively, we may notify you by email whenever a variation of this Agreement is made and provide you with details of same and when such variation will take effect and, if necessary, where you can find a copy of any new version of the Agreement on the Website. You may request, at any time, that we send you a paper copy of the varied Agreement.
- 44.3 You acknowledge that by continuing to have an Account with us or engage in any Investment activity using the SatrixNOW Platform, which includes making payments and withdrawals in accordance with clause 26, you agree to be bound by any new version of the Agreement, published on the Website, emailed to you or delivered to you in hard copy or by any other manner from time to time.
- 44.4 Any amended Agreement, as published on our Website, will supersede any previous agreement on the same subject matter and will govern any Investment or Order entered into after, or outstanding on, the date the amended Agreement comes into effect. It is therefore your responsibility to ensure that you are aware of the latest version of the Agreement as published on the Website before placing any Order or making any Investment or continuing to use the SatrixNOW Platform and any services therein.

45 GENERAL

- 45.1 This Agreement, read together with the deed of the Collective Investment Schemes, forms the whole agreement between the Parties.
- 45.2 No indulgence by a Party to another Party, or failure to enforce the terms of this Agreement, will be interpreted as a waiver or be capable of founding an estoppel (estoppel is a legal principle which allows a court to stop a litigant from taking an action which he/she would otherwise be able to take).
- 45.3 The Parties will do everything reasonable to ensure the effectiveness of this Agreement and the performance of their obligations under the Agreement.
- 45.4 If a term of this Agreement is illegal or unenforceable, that particular term may be cancelled and the remaining terms of the Agreement will still operate.
- 45.5 This Agreement is governed by South African law.

We are required to make the following disclosures regarding collective investment scheme to you:

3. About Unit Trusts

- When you invest in a unit trust (also called a collective investment scheme), your money is pooled with the money of other investors. This pool of money is used to buy a portfolio of assets, such as shares (equities), bonds or listed property. As an investor, the value of units you own is calculated by taking the number of units you own and multiplying them by the latest ruling price per unit. Forward pricing is used. Details of what each fund invests in, as well as its risk profile, are specified in the Minimum Disclosure Documents (fund fact sheets).
- The price per unit (excluding money-market type funds) goes up and down according to the value of the underlying assets in the relevant portfolio. Neither your capital nor the return of your investment is guaranteed for any unit trust investment. For information on unit trusts and how they work, along with our full range of funds and the relevant Minimum Disclosure Documents (fund fact sheets), please visit our website at www.satrix.co.za or alternatively you can call us on 010 020 2250.
- When placing an Order on the SatrixNOW platform, you apply to buy Units in the funds of your choice in line with the deed and mandate of the relevant funds. The Minimum Disclosure Documents (fund fact sheets) explain how each fund invests and what applicable fees will be charged.
- Unit trusts are generally medium to long-term investments. Past performance is not necessarily a guide to future performance. Unit trusts are traded at ruling prices and may engage in borrowing and scrip lending. Unit trust prices are calculated on a net asset value basis, which is the total value of all assets in the portfolio, including any income accrual, less any permissible deductions from the portfolio divided by the units in the portfolio.
- A feeder fund is a portfolio that, apart from assets in liquid form, consists solely of participatory interests in a single portfolio of a collective investment scheme, which also levies its own charges, which could result in a higher fee structure.
- Portfolios that invest in international investments, or investments in foreign securities, could be accompanied by additional risks as well as potential limitations on the availability of market information.
- Income payment(s) will only be paid out to a client's bank account if the investment transactions (e.g. debit orders and deposits) used to purchase units have been cleared by the bankers on the income reinvestment date. If the units have not cleared, income payment(s) will automatically be reinvested.
- The fund manager may borrow up to 10% of the portfolio to bridge insufficient liquidity.

4. Ownership, Information Security and Instructions

- The legal owner of the investment is the person in whose name the investment is registered, regardless of who the payer is. If the legal owner is a minor, we will only accept instructions from their legal guardian.
- We will only release information to, and act on instructions from, the investor, the authorised signatory or the appointed financial intermediary.
- We can only process your instructions once we have received the correct and accurately completed form and required supporting documents. If an instruction is issued incorrectly, is unclear, incomplete, or if the supporting documents are not received by the cut-off time, the transaction may be delayed. Any loss will be for the investors' account.
- We permit ring fencing for large withdrawals in terms of Notice 573 of the Collective Investment Schemes Act. Ring fencing is the separation of assets and the delayed sale of units in a unit trust fund. A large sale of units in a unit trust, above certain thresholds, may cause ring fencing. This ensures that the sale of a large number of units will not force us to sell the underlying investments at a price in the market which could have a negative impact on other investors. If your sell instruction is affected by this ring fencing, we will contact you to discuss the process, where applicable.

5. Unclaimed Assets and How They Affect You

- As a member of the Association for Savings and Investment (SA) (ASISA), we follow ASISA's Unclaimed Assets standard. An unclaimed asset is any unit trust investment on which there have been no transactions for ten years, or in the case of a deceased estate, more than three years have passed since we have received the notice of death. Our policy is to continue reinvesting all income distributions (interest) and redemption payments until the unit trust is sold, regardless of the time frame.
- According to ASISA's Unclaimed Assets standard, we follow a process of tracing investors or beneficiaries on any unclaimed assets. Any reasonable administrative costs incurred to trace the investor may be recovered from the value of the portfolio, thereby reducing the value of your investment. Tracing will cease where the value of the unit trust investment is less than R1000 and the costs of tracing exceeds the benefit of tracing. More information on the ASISA Standard on Unclaimed Assets and the process is available on www.asisa.org.za or from our client service centre on 010 020 2250.
- Please note that to prevent your investment becoming an unclaimed asset, it is your responsibility to inform us of a change in your personal information.
